Partnership to deliver Driving innovation and powering business with Microsoft Dynamics 365!

Maximize financial visibility and profitability.

Microsoft
Dynamics 365

The image shows a collage of various Microsoft Dynamics 365 dashboard screens. The screens display various data visualizations including bar charts, line graphs, and KPI cards. One prominent KPI card shows a value of 7412.63 with a green upward arrow and a value of 4284.47 with a red downward arrow. Another screen shows a clock displaying 12:38:09. The overall theme is financial and operational data analysis.

Microsoft Dynamics 365

Fuelling Exponential Growth and Exceptional Customer Experiences with Dynamics 365

Powerful flexibility and Limitless possibilities.

Qatar Living Recognizing the need for a comprehensive and scalable solution, and decided to implement Dynamics 365 across organization. The platform offered an integrated suite of applications, including sales, customer service, marketing, and business analytics, which aligned perfectly with Company growth objectives.

Empowering Connections, Enriching Experiences: Dynamics 365 for Qatar Living

At Mannai, it has always been our passion to contribute to the development of Qatar and bring it into the global stage of intellects and modern economy. Mannai Framework began with an in-depth strategic planning phase, where Mannai Microsoft Division collaborated closely with Qatar Living's team to understand their unique business objectives, challenges, and aspirations. By aligning the Dynamics 365 implementation with Qatar Living's vision, the framework ensured that every step of the process would contribute to their success. Strategic planning also involved identifying key performance indicators (KPIs) to track progress and measure the impact of the implementation.

Aim of The Qatar Living

- Streamline internal processes and workflows within Qatar Living to improve operational efficiency.
- Enhance user engagement by delivering personalized and relevant experiences through the customization and configuration of Dynamics 365.
- Drive growth and expansion strategies for Qatar Living by leveraging data analytics and insights to identify trends, opportunities, and user preferences.
- Improve collaboration and communication across departments and teams by integrating Dynamics 365 with other key systems in Qatar Living's ecosystem.
- Ensure data integrity and security throughout the migration and integration process, adhering to data protection regulations.

Dynamics 365
